SUMMARY

Digital product and experience leader with 15 years across website strategy, enterprise SaaS, analytics, customer research, and cross-functional delivery. I turn customer needs, product data, and stakeholder priorities into clear roadmaps, testable experiences, and build-ready requirements. My strength is connecting business value to usable digital products from discovery through launch and iteration.

CAPABILITIES

Digital Product & Website Strategy — Customer journeys, website structure, product requirements, prioritization, roadmap decisions, launch planning, and iterative improvement

Customer Insight & Product Analytics — User interviews, behavioral analytics, beta feedback, benchmarking, data visualization, and evidence-based product decisions

Cross-Functional Product Delivery — Stakeholder alignment, discovery, scoping, prototype validation, build-ready requirements, engineering collaboration, and production handoff

Enterprise SaaS & Experience Systems — Team scaling (2→30), 20+ product suites, enterprise analytics, reusable components, white-label experiences, and accessibility (WCAG)

EXPERIENCE

AI Implementation Partner

Hedgehox · Remote · Mar 2024 – Present

- Owned discovery, requirements, experience strategy, and prototype validation for digital products spanning regulated review, operational planning, and customer-facing websites
- Designed Claims Detector workflows that identify promotional claims, surface evidence gaps, and pre-populate audit-ready annotations before MLR submission
- Converted pharma agency needs into AI tools for MLR claim review, brief intake, scoping, review routing, submission capture, and FDA signal monitoring
- Designed the full Xenagos Bio website from scratch, translating investor and scientific stakeholder needs into site structure, content hierarchy, visual direction, and a reusable design-system handoff
- Built Scope Generator for pharma agency finance and operations teams to manage regional rate cards, brands, sub-brands, and natural-language scope changes
- Developed FDA Warning Tool concepts that connect warning-letter patterns to content-risk guidance for pharma teams

Founder & AI Product Strategist

One Block Away LLC · Remote · Jul 2023 – Present

- Own client-led digital products from customer discovery and prioritization through testable product surfaces, website launches, roadmap decisions, and working prototypes
- Built ListingPal's AI listing-generation POC and landing page, turning basic property inputs into listing copy, social posts, ad copy, styling direction, and MLS/SEO-ready language in under 90 seconds
- Built WeReady's Bailey Intelligence dashboard, translating founder inputs, GitHub signals, source health, risk scoring, and evidence trails into startup-readiness workflows
- Own product strategy, UX, front-end implementation, product logic, launch readiness, and stakeholder iteration from first ask through working experience
- Currently building the website and sponsor strategy for a Tunisia youth soccer program, positioning the project for player advancement, community support, and donor outreach

Director, Experience & Innovation

Kinesso (IPG) · New York, NY · Feb 2020 – Jun 2023

- Scaled product design from 2 to 30 people across the US and Poland for enterprise analytics used by 7,000+ users across 22 white-label brands
- Led product experience and design-system strategy for MIE data visualization, dashboard building, brand theming, and reusable analytics components
- Built the UX research discipline across a 20+ product suite, using interviews, Heap behavioral analytics, beta groups, and standardized findings to guide product decisions
- Built the Digital Experience Audit workflow for channel scoring, benchmarks, recommendations, visualization, and presentation-ready client outputs
- Design-system and analytics work earned 5 Indigo Gold, 4 Indigo Silver, and Red Dot recognition

Freelance UX Designer

Omnicom · New York, NY · Dec 2019 – Jan 2020

- Supported oncology accounts as a freelance UX designer, combining UX design and account-management experience to strengthen regulated healthcare work
- Championed UX best practices across account, strategy, creative, and delivery conversations, translating brand goals into clearer user flows, content structure, and digital recommendations

Sr. UX Designer

Heartbeat Ideas · New York, NY · Aug 2018 – Nov 2019

- Led UX research and experience strategy for pharma and healthcare work, translating stakeholder input, competitive audits, and user needs into digital product direction
- Created journey maps, site maps, user flows, wireframes, and prototypes for patient, HCP, and internal brand-team experiences across regulated healthcare programs
- Partnered with strategy, creative, account, and engineering teams to move UX recommendations from research findings into build-ready product and campaign experiences

Account Management & Client Strategy

RosettaWishbone, FCB Health, Barker DZP, Cline Davis & Mann, Scout Marketing · Feb 2011 – Jul 2018

- 7+ years managing Fortune 500 pharma and healthcare clients with \$2M-\$50M+ budgets across CNS/neurology, psychiatry, cardiovascular/metabolic, and sleep/wakefulness brands including NUVIGIL, Namenda XR, Lipitor, and Zolofit
- One of two account consumer leads on FCB Health's largest pharma account across all verticals: TV, radio, digital, gaming, Times Square, unbranded campaigns, brand planning, and MLR review
- Translated client and brand strategy into briefs, creative feedback, production requirements, timelines, and MLR-ready deliverables across account, creative, UX, and development teams
