EXPERIENCE

AI Implementation Partner

Hedgehox · Remote · Mar 2024 – Present

- Lead UX for regulated AI workflows spanning claim review, brief intake, scoping, review routing, submission capture, and FDA signal monitoring
- Design interaction and service flows that surface evidence gaps, route work by risk and approval requirements, and prepare audit-ready annotations for human review
- Build functional prototypes, test workflow decisions with stakeholders, and carry approved concepts into working product logic

Founder & AI Product Strategist

One Block Away LLC · Remote · Jul 2023 – Present

- Lead client discovery, product strategy, and UX from initial questions and user flows through interactive prototypes, front-end and backend logic, demo readiness, and engineering handoff
- Build client-led POCs that turn unclear business needs into testable product surfaces, service workflows, roadmap decisions, and working demos
- Present prototypes early so clients can evaluate the experience, challenge assumptions, and make clear build decisions

Director, Experience & Innovation

Kinesso (IPG) · New York, NY · Feb 2020 – Jun 2023

- Led enterprise UX and design systems used by 7,000+ people across 22 white-label brands, aligning customer needs, product standards, business goals, and engineering constraints
- Built the UX Research discipline across 20+ products using interviews, Typeform feedback, Useberry usability testing, Heap behavioral data, workshops, roadshows, and reusable Figma documentation
- Created the Digital Experience Audit workflow for current-state assessment, site audits, channel scoring, benchmarks, recommendations, data visualization, and client-ready outputs
- Helped shape a 500-component design system with 140 styles, 300 icons, 50 personas, accessibility, WCAG direction, keyboard interaction, and design governance
- Scaled product design from two to 30 people across the United States and Poland while setting UX standards and partnering with Product and Engineering leads
- Enterprise design-system, data-visualization, and audit work earned 5 Indigo Gold, 4 Indigo Silver, and Red Dot recognition

Freelance UX Designer

Omnicom · New York, NY · Dec 2019 – Jan 2020

- Supported oncology accounts as a freelance UX designer, combining hands-on product UX with agency and client experience in a regulated setting
- Translated brand goals into content structure, site architecture, user flows, responsive recommendations, and delivery direction across strategy, creative, account, and development teams

Sr. UX Designer

Heartbeat Ideas · New York, NY · Aug 2018 – Nov 2019

- Led primary research and experience strategy for pharma and healthcare work, translating stakeholder input, competitive audits, and customer needs into product direction
- Created consumer journeys, site maps, interaction models, user flows, wireframes, and prototypes for patient, HCP, and internal experiences across devices
- Partnered with client strategy, content, creative, account, and engineering teams to move research findings into build-ready product and campaign work

Account Management & Client Strategy

RosettaWishbone, FCB Health, Barker DZP, Cline Davis & Mann, Scout Marketing · Feb 2011 – Jul 2018

- Managed Fortune 500 pharma and healthcare clients across digital programs, turning business goals and audience needs into requirements, timelines, and approval-ready work
- Built an early foundation in client strategy, stakeholder communication, cross-functional delivery, content development, and clear recommendations
