SUMMARY

Technical customer and product strategy lead with 15 years across client advisory, enterprise UX, healthcare/pharma workflows, and working AI product delivery. I translate business goals into product configuration, supportable requirements, adoption-ready demos, and clear internal action. For Boulevard, the fit is technical account ownership: helping customers optimize the platform, resolving complex issues with product and engineering context, and turning customer needs into workflow improvements.

CAPABILITIES

Technical Account Advisory — Customer discovery, technical translation, product walkthroughs, issue triage, workflow optimization, and executive-ready explanation

SaaS Workflow & Product Optimization — Requirements, configuration logic, data flows, integration paths, dashboards, roadmap inputs, and product handoff

Customer Advocacy & Retention Signals — Feedback loops, stakeholder interviews, adoption barriers, recurring issue patterns, QBR-ready outcomes, and expansion narratives

Cross-functional Delivery — Account, strategy, product, engineering, support, and executive collaboration across client needs, regulated review, and build-ready decisions

EXPERIENCE

AI Implementation Partner

Hedgehox · Remote · Mar 2024 – Present

- Serve as a technical product translator for pharma agency stakeholders, turning ambiguous customer asks into scoped workflows and build-ready product requirements
- Secured an investor for proprietary Claims Detection software by building the functional POC, shaping the demo story, and explaining a complex review workflow clearly
- Designed Claims Detector workflows that identify promotional claims, surface evidence gaps, and pre-populate audit-ready annotations before MLR submission
- Built Scope Generator for finance and operations teams using regional rate-card data, brand structures, natural-language scope changes, and export-ready budget logic
- Translate issue patterns across claim review, brief intake, scoping, routing, submission capture, and FDA monitoring into product and workflow improvements

Founder & AI Product Strategist

One Block Away LLC · Remote · Jul 2023 – Present

- Own client-led AI POCs from first ask through demo, troubleshooting, feedback cycles, and roadmap decisions
- Built ListingPal's AI listing POC and landing page, turning basic property inputs into listing copy, social posts, ad copy, styling direction, and MLS/SEO-ready language in under 90 seconds
- Built WeReady's Bailey Intelligence dashboard, translating founder inputs, GitHub signals, source health, risk scoring, and evidence trails into an explainable decision workflow
- Own product strategy, UX, AI workflow design, front-end build, backend logic, demo readiness, and client iteration across technical and non-technical stakeholders

Director, Experience & Innovation

Kinesso (IPG) · New York, NY · Feb 2020 – Jun 2023

- Scaled product design from 2 to 30 people across the US and Poland for enterprise analytics used by 7,000+ users across 22 white-label brands
- Partnered with product, engineering, analytics, and stakeholder teams on MIE data visualization, dashboard building, brand theming, and reusable components
- Built the Digital Experience Audit workflow for channel scoring, benchmarks, recommendations, visualization, and presentation-ready outputs for client and strategy reviews
- Design-system and analytics work earned 5 Indigo Gold, 4 Indigo Silver, and Red Dot recognition

Sr. UX Designer

Heartbeat Ideas · New York, NY · Aug 2018 – Nov 2019

- Led UX research and experience strategy for pharma and healthcare work, translating stakeholder input, competitive audits, and user needs into actionable product direction
- Created journey maps, site maps, user flows, wireframes, and prototypes for patient, HCP, and internal brand-team experiences
- Partnered with strategy, creative, account, and engineering teams to move UX recommendations from research findings into build-ready product and campaign experiences

Account Management & Client Strategy

RosettaWishbone, FCB Health, Barker DZP, Cline Davis & Mann, Scout Marketing · Feb 2011 – Jul 2018

- 7+ years managing Fortune 500 pharma and healthcare clients with \$2M–\$50M+ budgets across CNS/neurology, psychiatry, cardiovascular/metabolic, and sleep/wakefulness brands
- One of two account consumer leads on FCB Health's largest pharma account across TV, radio, digital, gaming, Times Square, unbranded campaigns, brand planning, and MLR review
- Translated client and brand strategy into briefs, technical inputs, creative feedback, production requirements, timelines, and MLR-ready deliverables across account, creative, UX, and development teams
