SUMMARY

Life science marketing, client strategy, UX, and AI implementation leader with 15 years across pharma and healthcare. I bring 7+ years in account management and client strategy for USD 2M to USD 50M+ Fortune 500 pharma programs, followed by UX leadership and hands-on AI implementation for regulated workflows. I help clients turn complex business, user, and compliance needs into clear strategies, useful products, and working tools their teams can adopt.

SKILLS

Life Science Account Management & Client Strategy — Fortune 500 pharma client relationships, brand planning, integrated campaigns, budgets, timelines, creative production, stakeholder communication, and MLR review

UX Design & Digital Strategy — Healthcare UX design, digital experiences, web design, research, journey maps, information architecture, prototypes, design systems, digital audits, and data visualization

AI Implementation & Workflow Design — Governed LLM and VLM workflows, model behavior, prompt-defined criteria, human review, knowledge bases, front-end and backend logic, validation, and production handoff

Cross-functional Collaboration & Client Adoption — Strategy, creative, design, development, research, engineering, analytics, operations, executive communication, distributed teams, workshops, demonstrations, and client adoption

EXPERIENCE

AI Implementation Partner

Hedgehox · Remote · Mar 2024 – Present

- Turn pharma agency needs into AI tools for MLR claim review, brief intake, scoping, review routing, submission capture, and FDA signal monitoring
- Designed Claims Detector workflows that identify promotional claims, surface evidence gaps, and pre-populate audit-ready annotations before MLR submission
- Designed the Xenagos Bio website from scratch, including investor-facing information architecture, scientific positioning, UX, visual direction, and an internal design-system handoff
- Built Echo submission automation for pharma launches, moving one screenshot route from 8 hours to 10 minutes and helping cut a planned 5-day launch to 2 days
- Translate client needs into workflow design, model behavior, human review, demonstrations, implementation choices, and build-ready product decisions

Founder & AI Product Strategist

One Block Away LLC · Remote · Jul 2023 – Present

- Build client-led AI POCs that turn unclear business and marketing questions into testable product surfaces, working demonstrations, and roadmap decisions
- Own product strategy, UX, AI workflow design, front-end build, backend logic, validation, presentation readiness, and client iteration from first ask through working prototype
- Built ListingPal's AI listing-generation POC and landing page, turning basic inputs into listing copy, social posts, ad copy, styling direction, and MLS and SEO-ready language in under 90 seconds

Director, Experience & Innovation

Kinesso (IPG) · New York, NY · Feb 2020 – Jun 2023

- Scaled product design from 2 to 30 people across the United States and Poland for enterprise marketing analytics used by 7,000+ users across 22 white-label brands
- Led UX design, digital strategy, data visualization, dashboard, design-system, brand-theming, and reusable component work across a 20+ product marketing-intelligence suite
- Built the Digital Experience Audit workflow for channel scoring, benchmarks, recommendations, visualization, and presentation-ready client outputs
- Built the UX research practice through stakeholder roadshows, repeatable tools, workshops, Figma documentation, and cross-functional product feedback loops
- Design-system and digital-audit work earned 5 Indigo Gold, 4 Indigo Silver, and Red Dot recognition

Freelance UX Designer

Omnicom · New York, NY · Dec 2019 – Jan 2020

- Supported oncology accounts as a freelance UX designer, combining healthcare account management experience with UX strategy for regulated brand work
- Turned brand goals into clearer user flows, content structure, digital recommendations, and cross-functional delivery inputs for account, strategy, creative, and development teams

Sr. UX Designer

Heartbeat Ideas · New York, NY · Aug 2018 – Nov 2019

- Led UX research and experience strategy for pharma and healthcare programs, translating stakeholder input, competitive audits, and user needs into digital product and campaign direction
- Created journey maps, site maps, user flows, wireframes, and prototypes for patient, HCP, and internal brand-team experiences
- Partnered with strategy, creative, account, and engineering teams to move UX recommendations into build-ready digital experiences

Account Management & Client Strategy

RosettaWishbone, FCB Health, Barker DZP, Cline Davis & Mann, Scout Marketing · Feb 2011 – Jul 2018

- 7+ years managing Fortune 500 pharma and healthcare clients with USD 2M to USD 50M+ budgets across CNS, neurology, psychiatry, cardiovascular, metabolic, and sleep-wakefulness brands including NUVIGIL, Namenda XR, Lipitor, and Zolof
- One of two consumer account leads on FCB Health's largest pharma account across TV, radio, digital, gaming, Times Square, unbranded campaigns, brand planning, and MLR review
- Translated client and brand strategy into briefs, messaging inputs, creative feedback, production requirements, timelines, budgets, and MLR-ready deliverables
- Managed client relationships and coordinated account, strategy, creative, UX, development, and production teams across multiple regulated campaign workstreams
