SUMMARY

Senior agency project and client-delivery leader with 15 years across integrated marketing, regulated healthcare, enterprise products, and workflow systems. I bring 7+ years managing Fortune 500 pharma accounts and USD 2M-50M+ budgets, translating client priorities into project plans, schedules, production requirements, feedback, approvals, and coordinated execution. My strongest fit for FINN is keeping cross-functional teams aligned, managing client expectations, surfacing risks early, and improving the systems behind high-quality delivery.

SKILLS

Agency Project & Portfolio Delivery — Project plans, schedules and budgets, scopes, resourcing, production requirements, integrated agency delivery, adjustments, and on-time finalization

Client & Stakeholder Communication — Client expectations, stakeholder communication, active listening, feedback, presentations, decision support, and cross-functional teams

Risk, Quality & Approval Management — Risk management, quality and approvals, issue escalation, regulated review routing, MLR-ready deliverables, and practical problem-solving

Project Systems & Team Leadership — Project systems, workflow tools, rate cards, deliverables, timelines, resourcing, cost breakdowns, team leadership, and feedback and problem-solving

EXPERIENCE

AI Implementation Partner

Hedgehox · Remote · Mar 2024 – Present

- Convert pharma agency needs into workflow tools for brief intake, scoping, review routing, submission capture, MLR claim review, and FDA signal monitoring
- Built Scope Generator for agency finance and operations teams to manage regional rate cards, brands, sub-brands, scopes, deliverables, timelines, role-level resourcing, and cost breakdowns
- Designed BriefFlow around structured intake, missing-information flags, review links, comments, approval, sign-off, export, and project-management integration paths
- Designed Claims Detector workflows that identify promotional claims, surface evidence gaps, and pre-populate audit-ready annotations before MLR submission

Founder & AI Product Strategist

One Block Away LLC · Remote · Jul 2023 – Present

- Lead client discovery, prioritization, scope definition, presentations, and iteration from first ask through working deliverable
- Turn unclear client requests into organized briefs, testable concepts, demo narratives, and next-step decisions while keeping stakeholders aligned
- Own product strategy, UX, front-end build, backend logic, demo readiness, and client iteration across multiple client-led POCs

Director, Experience & Innovation

Kinesso (IPG) · New York, NY · Feb 2020 – Jun 2023

- Scaled a distributed product-design organization from 2 to 30 across the United States and Poland for enterprise analytics used by 7,000+ users across 22 white-label brands
- Led cross-functional UX and design-system delivery for data visualization, dashboard building, brand theming, and reusable analytics components
- Built the Digital Experience Audit workflow for channel scoring, benchmarks, recommendations, visualization, and presentation-ready client outputs
- Established reusable systems and quality standards that supported consistent delivery across teams, products, and brands

Freelance UX Designer

Omnicom · New York, NY · Dec 2019 – Jan 2020

- Supported oncology accounts as a freelance UX designer, combining UX design and account-management experience to strengthen regulated healthcare delivery
- Worked across account, strategy, creative, and delivery conversations to translate brand goals into clear user flows, content structure, and digital recommendations

Sr. UX Designer

Heartbeat Ideas · New York, NY · Aug 2018 – Nov 2019

- Led UX research and experience strategy for pharma and healthcare work, translating stakeholder input, competitive audits, and user needs into clear product direction
- Created journey maps, site maps, user flows, wireframes, and prototypes for patient, HCP, and internal brand-team experiences across regulated healthcare programs
- Partnered with strategy, creative, account, and engineering teams to move recommendations from research findings into build-ready product and campaign experiences

Account Management & Client Strategy

RosettaWishbone, FCB Health, Barker DZP, Cline Davis & Mann, Scout Marketing · Feb 2011 – Jul 2018

- 7+ years managing Fortune 500 pharma and healthcare clients with USD 2M-50M+ budgets across CNS and neurology, psychiatry, cardiovascular and metabolic, and sleep and wakefulness brands including NUVIGIL, Namenda XR, Lipitor, and Zolof
- One of two account consumer leads on FCB Health's largest pharma account across TV, radio, digital, gaming, Times Square, unbranded campaigns, brand planning, and MLR review
- Translated client and brand strategy into briefs, creative feedback, production requirements, timelines, and MLR-ready deliverables across account, creative, UX, and development teams
- Coordinated high-volume client work across senior leadership, creative, strategy, production, UX, and development teams, surfacing risks early and keeping deliverables moving against deadlines and budgets
