SUMMARY

Senior UX and product designer with nearly eight years of hands-on UX experience and 15 years across product, client strategy, and regulated digital delivery. I lead complex work from user research, flows, and prototypes through accessible design systems, detailed design specifications, and engineering handoff. My strongest proof includes building a research discipline across 20+ products and leading enterprise UX used by 7,000+ people across 22 white-label brands.

SKILLS

End-to-End UX & Product Design — Figma, journey maps, site maps, user flows, wireframes, prototypes, interaction design, detailed design specifications, and build-ready handoff

Research, Data & Validation — User research, stakeholder interviews, Typeform, Useberry prototype testing, Heap behavioral data, competitive audits, synthesis, and evidence-backed design decisions

Accessibility & Design Systems — Accessibility, WCAG, inclusive UX, keyboard interaction, UX standards, component libraries, reusable patterns, white-label systems, and design governance

Cross-Functional Product Delivery — Product and engineering collaboration, independent ownership, stakeholder reviews, design rationale and tradeoffs, technical requirements, AI-assisted workflows, and iterative delivery

EXPERIENCE

AI Implementation Partner

Hedgehox · Remote · Mar 2024 – Present

- Designed end-to-end Claims Detector workflows that identify promotional claims, surface evidence gaps, and pre-populate audit-ready annotations before human review
- Turned pharma agency needs into clear workflow concepts for claim review, brief intake, scoping, review routing, submission capture, and FDA signal monitoring
- Secured an investor for proprietary Claims Detection software by building the functional POC, shaping the demo story, and iterating with stakeholders

Founder & AI Product Strategist

One Block Away LLC · Remote · Jul 2023 – Present

- Lead product strategy and UX from discovery through user flows, working prototypes, front-end and backend logic, demo readiness, and client iteration
- Build client-led POCs that turn unclear business questions into testable product surfaces, workflow decisions, and implementation roadmaps
- Use AI-assisted workflows, model orchestration, and evidence trails to make complex product experiences faster to test while preserving human review

Director, Experience & Innovation

Kinesso (IPG) · New York, NY · Feb 2020 – Jun 2023

- Led enterprise UX and design systems used by 7,000+ users across 22 white-label brands, aligning user needs, business goals, and technical requirements
- Built the user research discipline from scratch across 20+ products using interviews, Typeform feedback, Useberry prototype testing, Heap behavior data, and reusable Figma documentation
- Shaped a 500-component design system with UX standards, component libraries, personas, white-label patterns, and research-informed product behaviors
- Helped establish accessibility and WCAG direction for Splash, including inclusive system guidance and concrete keyboard interaction patterns
- Scaled product design from 2 to 30 people across the US and Poland while partnering with product and engineering leads and presenting rationale and tradeoffs to stakeholders
- Design-system, data-visualization, and audit-experience work earned 5 Indigo Gold, 4 Indigo Silver, and Red Dot recognition

Freelance UX Designer

Omnicom · New York, NY · Dec 2019 – Jan 2020

- Supported oncology accounts as a freelance UX designer, combining UX design and client experience to strengthen regulated healthcare work
- Translated brand goals into clearer user flows, content structure, and digital recommendations across account, strategy, creative, and delivery teams

Sr. UX Designer

Heartbeat Ideas · New York, NY · Aug 2018 – Nov 2019

- Led UX research and experience strategy for pharma and healthcare work, translating stakeholder input, competitive audits, and user needs into digital product direction
- Created journey maps, site maps, user flows, wireframes, and prototypes for patient, HCP, and internal brand-team experiences
- Partnered with strategy, creative, account, product, and engineering teams to move research findings into build-ready product experiences

Account Management & Client Strategy

RosettaWishbone, FCB Health, Barker DZP, Cline Davis & Mann, Scout Marketing · Feb 2011 – Jul 2018

- Managed Fortune 500 pharma and healthcare work across complex digital programs, translating client and business needs into briefs, requirements, timelines, and review-ready deliverables
- Built an early foundation in stakeholder communication, cross-functional collaboration, and presenting clear recommendations within regulated product environments
