SUMMARY

Senior UX and human-centered design leader with 15 years across enterprise products, client consulting, and regulated healthcare. Since 2021, I have built a research discipline across a 20-plus-product suite, scaled product design from 2 to 30 people, led accessibility-aware systems and digital assessments, and translated complex pharma constraints into human-reviewed workflows. I connect discovery, stakeholder research, journey and flow design, wireframes, usability testing, digital service improvement, and practical delivery.

SKILLS

HCD Discovery & Research Leadership — UX discovery, research planning, stakeholder interviews, interview guides, synthesis, usability testing, workshops, validation, and strategic UX recommendations

Journey, Workflow & Service Design — Journey maps, digital-property assessments, user flows, wireframes, prototypes, workflow design, prioritization, roadmap decisions, and build-ready handoff

Regulated Healthcare & Constraint Translation — FDA/HIPAA/MLR workflows, privacy, AI-supported service design, human oversight, explainability, evidence trails, approval routing, operational constraints, and trust

Accessibility & UX Leadership — Accessibility-aware design, inclusive design, WCAG, keyboard navigation, enterprise design systems, cross-functional facilitation, and team scaling from 2 to 30

EXPERIENCE

AI Implementation Partner

Hedgehox · Remote · Mar 2024 – Present

- Lead UX discovery for regulated pharma workflow tools, translating agency needs and FDA, HIPAA, MLR, evidence, routing, and operational constraints into practical product recommendations
- Designed Claims Detector workflows that identify promotional claims, surface evidence gaps, and pre-populate audit-ready annotations while preserving human review before MLR submission
- Mapped brief intake, scoping, review routing, submission capture, screenshot, and FDA-signal workflows into testable product surfaces for agency teams
- Designed the full Xenagos Bio startup biopharma website, including stakeholder-facing structure, scientific positioning, visual direction, and design-system handoff

Founder & AI Product Strategist

One Block Away LLC · Remote · Jul 2023 – Present

- Lead fractional consulting, client discovery, and stakeholder workshops that turn unclear business questions into research priorities, testable product surfaces, demo flows, and roadmap decisions
- Own product strategy, UX, workflow design, wireframes and prototypes, front-end build, backend logic, usability iteration, and client handoff from first ask through working product
- Built WeReady's Bailey Intelligence dashboard, translating founder input, source health, risk scoring, and evidence trails into a clearer assessment and recommendation workflow

Director, Experience & Innovation

Kinesso (IPG) · New York, NY · Feb 2020 – Jun 2023

- Built the UX research discipline from scratch across a 20-plus-product Marketing Intelligence Engine, creating repeatable interview planning, recording, synthesis, testing, validation, workshops, and research artifacts
- Scaled product design from 2 to 30 people across the United States and Poland for enterprise analytics used by 7,000-plus users across 22 white-label brands
- Led accessibility-aware UX and design-system strategy across data visualization, dashboard building, brand theming, reusable components, keyboard navigation, and product standards
- Built the Digital Experience Audit workflow for digital-property assessment, channel scoring, benchmarks, recommendations, visualization, and presentation-ready outputs
- Design-system and analytics work earned 5 Indigo Gold, 4 Indigo Silver, and Red Dot recognition

Freelance UX Designer

Omnicom · New York, NY · Dec 2019 – Jan 2020

- Supported oncology accounts as a freelance UX designer, combining UX design and account-management experience to strengthen regulated healthcare work
- Translated brand goals, stakeholder needs, and review constraints into clearer user flows, content structure, and digital recommendations across account, strategy, creative, and delivery teams

Sr. UX Designer

Heartbeat Ideas · New York, NY · Aug 2018 – Nov 2019

- Led UX research and experience strategy for pharma and healthcare programs, translating stakeholder interviews, competitive audits, and user needs into digital product direction
- Created journey maps, site maps, user flows, wireframes, and prototypes for patient, HCP, and internal brand-team experiences across regulated healthcare programs
- Partnered with strategy, creative, account, and engineering teams to move research findings, usability feedback, and UX recommendations into build-ready experiences

Account Management & Client Strategy

RosettaWishbone, FCB Health, Barker DZP, Cline Davis & Mann, Scout Marketing · Feb 2011 – Jul 2018

- Managed Fortune 500 pharma and healthcare clients with 2-million-dollar to 50-million-dollar-plus budgets across CNS, neurology, psychiatry, cardiovascular, metabolic, and sleep-wakefulness brands
- Translated client and brand strategy into briefs, stakeholder feedback, requirements, timelines, and MLR-ready deliverables across account, creative, UX, legal-medical review, and development teams
