SUMMARY

AI product strategist and design leader with 15 years across pharma, enterprise UX, and AI implementation. I turn ambiguous client problems into working products: regulated pharma AI tools, client-led POCs, and enterprise design systems used by 7,000+ users across 22 brands.

CAPABILITIES

AI Strategy & Implementation — LLM/VLM products, multimodal review, regulated AI workflows, RAG/knowledge bases, prompt-defined criteria, model orchestration

Product Strategy & POC Development — Discovery, scoping, UX research, prototype validation, demo-ready builds, production handoff

Regulated & Enterprise Delivery — FDA/HIPAA/MLR workflows, pharma agency operations, stakeholder alignment, client workshops, adoption

UX Leadership & Design Systems — Team scaling (2→30), enterprise UX, data visualization, component libraries, accessibility (WCAG)

EXPERIENCE

AI Implementation Partner

Hedgehox · Remote · Mar 2024 – Present

- Translate pharma agency problems into working AI tools across claim detection, pre-submission annotation, screenshot capture, scoping, brief intake, routing, and regulatory monitoring
- Built Claims Detector to find promotional claims and pre-annotate submissions using a knowledge base, approved references, or prompt-defined review criteria for enterprise MLR workflows
- Designed Echo route and screenshot automation for submission review, capturing 100+ screenshots in under 5 minutes and moving one route from 8 hours to 10 minutes

Founder & AI Product Strategist

One Block Away LLC · Remote · Jul 2023 – Present

- Currently building the website and growth strategy for a local U16 football club in Tanzania, helping the owners elevate players toward national-level opportunities and attract sponsors, donations, and community support
- Turn early client AI questions into bounded POCs that show the workflow, expose the hard parts, and give clients something specific to test, pitch, or change
- Built ListingPal as a client POC for real estate, turning basic property details into listing copy, social posts, ad copy, styling direction, and MLS/SEO-ready language in under 90 seconds
- Built WeReady's Bailey intelligence dashboard as a client POC, turning founder inputs, GitHub signals, source health, credibility scoring, and risk recommendations into a startup-readiness report

Director, Experience & Innovation

Kinesso (IPG) · New York, NY · Feb 2020 – Jun 2023

- Scaled product design from 2 to 30 people across the US and Poland, supporting enterprise analytics workflows for 7,000+ users across 22 white-label brands
- Led UX direction and design-system patterns for MIE data visualization, dashboard building, brand theming, and reusable enterprise analytics components

- Shaped the Digital Experience Audit workflow for channel scoring, benchmarks, recommendations, visualization, and presentation-ready client outputs
- Work earned Indigo Awards 2023 (3 Gold, 2 Silver), Indigo Awards 2022 (2 Gold, 2 Silver), and Red Dot 2021 recognition

Sr. UX Designer

Heartbeat Ideas · New York, NY · Aug 2018 – Nov 2019

- Led UX research and experience strategy for pharma and healthcare agency work, turning stakeholder input, competitive audits, and user needs into clear digital product direction
- Created journey maps, site maps, user flows, wireframes, and prototypes for patient, HCP, and internal brand-team experiences across regulated healthcare programs
- Partnered with strategy, creative, account, and engineering teams to move UX recommendations from research findings into build-ready product and campaign experiences

Account Management & Client Strategy

RosettaWishbone, FCB Health, Barker DZP, Cline Davis & Mann, Scout Marketing · 2010 – 2017

- 7+ years managing Fortune 500 pharma and healthcare clients with budgets from \$2M to \$50M+, including NUVIGIL, Namenda XR, Lipitor, and Zoloft
- One of two account consumer leads on FCB Health's largest pharma account across all verticals: TV, radio, digital, gaming, Times Square, unbranded campaigns, brand planning, and MLR review
- Translated client and brand strategy into clear briefs, creative feedback, production requirements, timelines, and MLR-ready deliverables across account, creative, UX, and development teams
