SUMMARY

Client operations and cross-functional program leader making an intentional move into executive support, with 15 years keeping high-stakes client, leadership, and delivery work organized across fast-paced agencies, enterprise teams, and AI startups. I anticipate needs, turn incomplete inputs into clear briefs and next steps, prepare decision-ready materials, and keep senior stakeholders aligned through changing priorities. I also build AI-enabled automation that reduces administrative drag and improves follow-through.

SKILLS

Executive & Stakeholder Coordination — Stakeholder relationships, client communication, meeting preparation, briefing materials, presentations, follow-ups, and cross-functional partners

Client & GTM Support — 7+ years managing Fortune 500 healthcare relationships, USD 2M-50M+ programs, timelines, production requirements, and regulated deliverables

Program Organization & Follow-Through — Prioritization, action tracking, documentation, status communication, structured sessions, cross-functional coordination, and distributed-team delivery

AI-Enabled Process Improvement — AI tools for brief intake, scoping, review routing, submission capture, knowledge workflows, and human-in-the-loop review

EXPERIENCE

AI Implementation Partner

Hedgehox · Remote · Mar 2024 – Present

- Convert fast-moving pharma agency needs into clear briefs, priorities, review routes, and working tools across client, operations, finance, and regulatory stakeholders
- Built AI tools for brief intake, scoping, review routing, submission capture, claims review, and FDA signal monitoring, reducing manual coordination and surfacing missing information earlier
- Prepared demo narratives and decision-ready materials that helped secure an investor for Claims Detection software and kept stakeholders aligned through iteration

Founder & AI Product Strategist

One Block Away LLC · Remote · Jul 2023 – Present

- Run client work from first ask through working prototype, organizing discovery, priorities, requirements, demo preparation, follow-ups, and next-step decisions with minimal direction
- Turn ambiguous business questions into structured briefs, testable workflows, and client-ready product demonstrations that make decisions easier
- Built ListingPal and WeReady AI POCs, connecting client inputs, source signals, risk scoring, evidence trails, and recommendations into clear decision workflows

Director, Experience & Innovation

Kinesso (IPG) · New York, NY · Feb 2020 – Jun 2023

- Scaled product design from 2 to 30 people across the US and Poland, coordinating distributed teams supporting enterprise analytics used by 7,000+ users across 22 white-label brands
- Created a research operating model across 20+ products with advance context, structured 30-60 minute sessions, standardized reports, status communication, and follow-up
- Built the Digital Experience Audit workflow for channel scoring, benchmarks, recommendations, visualization, and presentation-ready client outputs

Freelance UX Designer

Omnicom · New York, NY · Dec 2019 – Jan 2020

- Supported oncology accounts by coordinating account, strategy, creative, and delivery conversations and translating brand goals into clearer user flows, content structures, and recommendations
- Combined client-service and UX experience to strengthen communication and delivery across regulated healthcare work

Sr. UX Designer

Heartbeat Ideas · New York, NY · Aug 2018 – Nov 2019

- Led stakeholder research and experience strategy, preparing journey maps, user flows, wireframes, and prototypes for patient, HCP, and internal brand-team experiences
- Kept strategy, creative, account, and engineering teams aligned from research findings through build-ready product and campaign delivery

Account Management & Client Strategy

RosettaWishbone, FCB Health, Barker DZP, Cline Davis & Mann, Scout Marketing · Feb 2011 – Jul 2018

- Managed Fortune 500 pharma and healthcare clients with USD 2M-50M+ budgets, balancing high-volume priorities across clients, senior leadership, strategy, creative, production, UX, and development teams
- Served as one of two account consumer leads on FCB Health's largest pharma account across TV, radio, digital, gaming, Times Square, unbranded campaigns, brand planning, and MLR review
- Translated client and brand strategy into briefs, creative feedback, production requirements, timelines, and MLR-ready deliverables across account, creative, UX, and development teams
