SUMMARY

Client-facing implementation and operations lead with 15 years across account management, enterprise analytics, workflow UX, technical product setup, and launch support. I turn ambiguous client needs into configured workflows, QA-ready dashboards, clear documentation, and smooth handoffs across account, technical, finance, and operations teams.

CAPABILITIES

Client Onboarding & Implementation — Intake, requirements, milestone updates, setup checklists, launch readiness, stakeholder communication, and account-management handoff

Technical Setup & Data QA — Workflow configuration, dashboard access, data-flow validation, discrepancy triage, edge-case checks, and support-minded troubleshooting

Reporting & Dashboard Operations — Performance dashboards, report specifications, automated output thinking, data visualization, source-linked evidence, and client-ready reporting views

Digital Marketing & Analytics Context — Digital campaign workflows, channel scoring, benchmarks, social/ad copy outputs, MLS/SEO-ready language, and conversion-path thinking

Client Support & Cross-Functional Delivery — Clear technical/non-technical communication, fast issue diagnosis, documentation, regulated review discipline, and multi-team coordination

EXPERIENCE

AI Implementation Partner

Hedgehox · Remote · Mar 2024 – Present

- Convert pharma agency needs into implementation-ready products for claim review, brief intake, scoping, review routing, submission capture, and regulatory monitoring
- Designed Claims Detector workflows that identify promotional claims, surface evidence gaps, and pre-populate audit-ready annotations before MLR submission
- Built Scope Generator for agency finance and operations teams to manage regional rate cards, brands, sub-brands, natural-language scope changes, and export-ready scope data
- Designed BriefFlow intake and approval concepts around guided forms, missing-information flags, review links, comments, sign-off, PDF export, and project-management integration paths
- Secured investor interest for proprietary Claims Detection software by building the functional POC, shaping the demo story, and iterating on launch-critical proof points

Founder & AI Product Strategist

One Block Away LLC · Remote · Jul 2023 – Present

- Own client-led POCs from first ask through working prototype, including product strategy, UX, front-end build, backend logic, demo readiness, and client iteration
- Built ListingPal's real-estate marketing POC and landing page, turning property inputs into listing copy, social posts, ad copy, styling direction, and MLS/SEO-ready language in under 90 seconds
- Built WeReady's Bailey Intelligence dashboard, translating founder inputs, GitHub signals, source health, credibility scoring, risk scoring, and evidence trails into structured reports
- Create landing pages, product narratives, support documentation, demos, and walkthroughs so clients can understand the workflow, test the output, and decide what to build next

Director, Experience & Innovation

Kinesso (IPG) · New York, NY · Feb 2020 – Jun 2023

- Scaled product design from 2 to 30 people across the US and Poland for enterprise analytics used by 7,000+ users across 22 white-label brands
- Led UX and design-system strategy for MIE data visualization, dashboard building, brand theming, reusable analytics components, and enterprise reporting workflows
- Built the Digital Experience Audit workflow for channel scoring, benchmarks, recommendations, visualization, and presentation-ready client outputs tied to measurable performance signals
- Partnered across product, strategy, design, engineering, and client-facing teams to turn dense marketing data into repeatable dashboards and handoff-ready product patterns
- Design-system and analytics work earned 5 Indigo Gold, 4 Indigo Silver, and Red Dot recognition

Sr. UX Designer

Heartbeat Ideas · New York, NY · Aug 2018 – Nov 2019

- Led UX research and experience strategy for pharma and healthcare work, translating stakeholder input, competitive audits, brand requirements, and user needs into digital direction
- Created journey maps, site maps, user flows, wireframes, and prototypes for patient, HCP, and internal brand-team experiences across regulated healthcare programs
- Partnered with strategy, creative, account, and engineering teams to move UX recommendations from research findings into build-ready product, website, and campaign experiences

Account Management & Client Strategy

RosettaWishbone, FCB Health, Barker DZP, Cline Davis & Mann, Scout Marketing · Feb 2011 – Jul 2018

- 7+ years managing Fortune 500 pharma and healthcare clients with \$2M–\$50M+ budgets across CNS/neurology, psychiatry, cardiovascular/metabolic, and sleep/wakefulness brands including NUVIGIL, Namenda XR, Lipitor, and Zolofit
- One of two account consumer leads on FCB Health's largest pharma account across all verticals: TV, radio, digital, gaming, Times Square, unbranded campaigns, brand planning, and MLR review
- Translated client and brand strategy into briefs, creative feedback, production requirements, timelines, status updates, and MLR-ready deliverables across account, creative, UX, and development teams
