SUMMARY

AI product and analytics leader with 15 years across product strategy, enterprise data products, client consulting, and regulated AI implementation. I translate business needs into roadmaps, requirements, governed AI workflows, and client-facing analytics used at enterprise scale. My strength is aligning business, design, engineering, data, and client teams from discovery through implementation, adoption, and continuous improvement.

SKILLS

AI Product Strategy & Implementation — Product vision, discovery, feature requirements, roadmaps, POCs, governed AI workflows, validation, and production handoff

Analytics & Data Products — Enterprise analytics, dashboards, data visualization, audit workflows, benchmarks, recommendations, and decision support

Cross-Functional Product Leadership — Business, design, engineering, data, and client alignment; prioritization, implementation planning, adoption, and business outcomes

Research & Client Experience — Qualitative and quantitative research, interviews, prototype testing, product analytics, stakeholder workshops, and continuous improvement

EXPERIENCE

AI Implementation Partner

Hedgehox · Remote · Mar 2024 – Present

- Secured an investor for proprietary Claims Detection software by building the functional POC, shaping the product story, and iterating with stakeholders
- Led product strategy and requirements for Claims Detector, translating pharma business needs into governed AI workflows for claim identification, evidence gaps, and audit-ready annotations
- Defined implementation paths across MLR claim review, brief intake, scoping, review routing, submission capture, and FDA signal monitoring with human review and governance built in
- Built Scope Generator for pharma agency finance and operations teams to manage regional rate cards, brands, sub-brands, and natural-language scope changes

Founder & AI Product Strategist

One Block Away LLC · Remote · Jul 2023 – Present

- Own AI product strategy, discovery, workflow design, front-end build, backend logic, demo readiness, and client iteration from first question through working prototype and roadmap decisions
- Built ListingPal's AI listing-generation POC, turning basic property inputs into listing copy, social posts, ad copy, styling direction, and MLS/SEO-ready language in under 90 seconds
- Built WeReady's Bailey Intelligence dashboard, translating founder inputs, GitHub signals, source health, risk scoring, and evidence trails into decision-ready startup workflows
- Translate ambiguous client needs into prioritized requirements, product features, testable demos, implementation choices, and build-ready handoffs

Director, Experience & Innovation

Kinesso (IPG) · New York, NY · Feb 2020 – Jun 2023

- Led enterprise analytics products and experiences while scaling design from 2 to 30 people across the US and Poland, supporting 7,000+ users across 22 white-label brands
- Partnered across product, design, engineering, and business teams to shape MIE data visualization, dashboard building, brand theming, and reusable analytics components from requirements through adoption
- Built the Digital Experience Audit workflow for channel scoring, benchmarks, recommendations, data visualization, and presentation-ready client outputs
- Built a research discipline across a 20+ product suite, using interviews, prototype testing, feedback tools, product analytics, and stakeholder roadshows to guide prioritization and continuous improvement

Freelance UX Designer

Omnicom · New York, NY · Dec 2019 – Jan 2020

- Supported oncology accounts as a freelance UX designer, translating regulated business and user needs into clearer product flows, content structures, and implementation recommendations
- Partnered across account, strategy, creative, and delivery teams to align client outcomes, user experience, and build-ready decisions

Sr. UX Designer

Heartbeat Ideas · New York, NY · Aug 2018 – Nov 2019

- Led research and experience strategy for pharma and healthcare products, translating stakeholder input, competitive audits, and user needs into product direction
- Created journey maps, user flows, wireframes, and prototypes for patient, HCP, and internal brand-team experiences across regulated healthcare programs
- Partnered with strategy, creative, account, and engineering teams to move research findings into prioritized, build-ready product and campaign experiences

Account Management & Client Strategy

RosettaWishbone, FCB Health, Barker DZP, Cline Davis & Mann, Scout Marketing · Feb 2011 – Jul 2018

- Managed Fortune 500 pharma and healthcare clients with USD 2M to 50M+ budgets across complex portfolios, advising stakeholders and aligning work to business, audience, and regulatory outcomes
- Served as one of two account consumer leads on FCB Health's largest pharma account across TV, radio, digital, gaming, Times Square, brand planning, and MLR review
- Translated client strategy into briefs, requirements, timelines, priorities, and MLR-ready delivery across account, creative, UX, analytics, and development teams
